

## Course Director

Hi future IDC Candidate,

I'm Raphael, your PADI Course Director and I'm looking forward meeting you for the next IDC here in the beautiful scenery of Sipalay, certainly one of the most beautiful place to pass an IDC.

In the past years I organised and Staffed many IDCs here in the Philippines since I managed different Dive Operations as well as a PADI 5\* Carrer Development Centre Resort here on Negros. Leading enthusiastic Divemaster to a rewarding career as Instructors is always exiting to me and I love the challenge and opportunity to bring you there. I'm fluent enough to each in English, German and French.

What do you have to expect from your IDC with us? You will first of all have a good time free of stress and hassle. You will be in a state of the art classroom environment without any distraction. Diving wise: in open water expect one of the world's richest aquatic life environment and really clear water and calm conditions. Well the pool is the pool, there's nothing more to say on that issue but we'll need it to sharpen your skills to a top level. The surrounding of the resort is astonishing and you'll meet a lot of friendly and smiling locals. I guarantee you a successful completion of your IDC program and the best preparation you can get for your career as a PADI Dive Professional beyond the examination.

All you need to bring is the right attitude, the theoretic knowledge of a Divemaster and all the materials listed on the Prerequisite page. And off you go for your start in a new life.

See you soon in Sipalay

Cheers,

Raphael Virchaux, CD 478225
